

School Choice Update 2014-2015

Beginning with the 2014-2015 school year, School Choice is not being offered due to federal regulation changes under the ESEA Flexibility Waiver.

If your child previously applied for School Choice and is attending a “Choice” school, your child may remain at that school through the highest grade level. In our district, that means the fifth grade.

While your child may remain in the “Choice” school, the Edgefield County School District will not provide transportation. Transportation will now be the responsibility of the parent or guardian.

If you are unable to provide transportation to the “Choice” school, you may enroll your child at his/her zoned school and transportation will be provided.

For more information regarding this and other federal regulation changes, please visit:
