

**The Adult Education and Family Literacy Program has
a Little Free Library
and
You're invited to the Ribbon Cutting Ceremony!**

The Edgefield County Adult Education and Family Literacy Program along with IGA of Johnston, South Carolina are excited to be the Stewards for the IGA Little Free Library #31686 on behalf of our neighbors and our community! The way it works is simple:

- We stock the LFL with a variety of good quality books.
- You stop by and take whatever catches your fancy
- You return and bring books to contribute when you can
- LFL books are always a gift - never for sale!

Because of communities like ours, the Little Free Library movement has rapidly grown. Many Libraries have been installed and thousands of books shared around the country as well as around the world. Little Free Library's mission is to:

- **Promote literacy and the love of reading** by building free book exchanges worldwide.
- **To build a sense of community** as we share skills, creativity and wisdom across generations.

Check out the LFL story at www.littlefreelibrary.org. Better yet, encourage others to put one up in their area! We hope to see you soon.
