If approved, parent(s)/guardian(s) may pre-register their child for the approved school year. **Board approval for non-resident students will be valid for 90 days from the board approval date. If the student has not enrolled or pre-registered at an Edgefield County school, or, if the student attends school in another district after board approval, the board decision becomes invalid and the parent(s)/guardian(s) will need to re-apply.
